## Lilly Endowment Community Scholarship

The Carroll County Community Foundation is pleased to honor the recipient of the 2017 Lilly Endowment Community Scholarship. Thanks to the generosity of Lilly Endowment, one Carroll County student will receive full-tuition, required fees, and a special allocation of up to \$900 per year for required books and equipment for four years of undergraduate study at any Indiana public or private nonprofit college or university. The 2017 recipient is **Kain Myer**.

Kain, son of Steven and Connie Myer, is a Delphi Community High School graduate. He was the vice president of student council and National Honor Society. Kain was a member of the school's tennis, baseball and basketball teams. Kain is a former member of Students 4 Progress and Club 365. He is a member of Interact, a community service group affiliated with Rotary. Kain's volunteer activities include the Indiana Bicentennial Train and the Veterans Day football game/program.

As a varsity athlete, he helped out with youth baseball and basketball camps. Kain is a youth coach with the Delphi Educational Foundation and has participated in the Diamond Dash. His academic awards include the Bradshaw English Award, Calculus AB AP Math Award, Pre-Calculus DC Math Award, Geometry MA Math Award and all A honor roll. Kain was selected as a delegate for Hoosier Boys State.

He plans to attend Indiana University to study biology.

For 19 years Lilly Endowment has funded the Community Scholars program for outstanding students in Indiana. The Community Foundation defined the criteria based on the Endowment's stated goal to "raise the level of educational attainment in Indiana." The criteria used in the selection process included: scholastic achievements, financial need, activities in and out of school, essay, interview and character.

There were 34 qualified and eligible Carroll County students who applied for the scholarship. A committee of volunteers evaluated the applications and selected the finalists who were interviewed by the Carroll County Community Foundation Board. The Carroll County Community Foundation has awarded 15 scholarships and renewals from 10 funds with an approximate value of \$70,217 in scholarships for the 2017-18 school year, including the Lilly Endowment Community Scholarship.

# Scholarship Program Gifting

Scholarship programs need your support.

Invest in the youth of our county through a gift to a scholarship fund.

While there are many scholarships listed in this newsletter, each year we have to say no to worthy students who need assistance, simply because we do not have enough money in our scholarship funds. In addition to increasing the number of scholarships available, we have a critical need to be able to increase the

monetary value of many of the awards to keep up with the inflation of college costs. Many students have a need for financial support beyond the freshman year, but most of our awards are not renewable. Your help is needed!

To make a tax deductible contribution to a scholarship listed in this brochure or to the Carroll County

Community Foundation Scholarship Fund, please clip the form below and return it with your check to: Carroll County Community Foundation, 215 W. Sycamore St., Kokomo, IN 46901. To make a gift of stock, real estate, life insurance, gift annuities, and charitable trusts, call us at (800) 964-0508 or e-mail [info@cfcarroll.org](mailto:info@cfcarroll.org).
